

Stray Catz, Inc. Adoption Application

Date: _____

Name of cat(s)/kitten(s): _____

Case number: _____

Donation for adoptions is \$ _____ per cat/kitten. All adoption donations are used to support rescue work.

NOTE: A decision to adopt a cat or kitten should not be made on impulse. Cats can live 15 years or more. A cat needs annual veterinary exams even if kept indoors at all times. Other costs of care include high quality cat food and cat litter. Food scraps do not provide proper nutrition. Cats that are not declawed need a scratching post and may need to be taught to not use their claws on furniture and draperies. Please do not apply to adopt if you are not willing to make a commitment to care for the animal for its entire life.
